

EFFECTIVE

October 1, 2017.

Subject(s)

Child Welfare Continuum of Care

FOM 915 Series

FOM 915, 915A, 915B, and 915C is a series of new policies for child placing agencies contracted to participate in the child welfare continuum of care model.

The Michigan Department of Health & Human Services (MDHHS), with support from the State's Legislature and public and private stakeholders, is implementing a child welfare continuum of care model which includes a case rate funding methodology to improve outcomes for children and families.

Reason: Public Act 268 of 2016, Article X.
